NOTICE OF HIPAA POLICIES AND PRACTICES

I ACKNOWLEDGE RECEIPT OF THE HIPAA PRIVACY RULES. I have received notice from my health care provider with North Phoenix Counseling, LLC, regarding his policies and practices to protect the privacy of my protected health information (PHI). I agree to read this document and to ask my treatment provider any questions that I have regarding his policies at our next session. If I do not ask questions, it will be understood that I am fully aware of the uses and disclosures of my protected health information (PHI) and my rights under HIPAA.

Release of Information and Coordination of Care between Health Care Providers

Communication between behavioral providers and your primary care physician (PCP), and other behavioral health providers is important to ensure that you receive comprehensive and quality health care. This form will allow your behavioral health provider to share protected health information (PHI) with your other provider. This PHI may include diagnosis, treatment plan and/or progress.

Client Rights

- You may end this authorization at any time in writing by sending a notification to North Phoenix Counseling, LLC at the address listed on the top of this form.
- If you make a request to end this authorization, it will not include information that may have already been used or disclosed based on your previous permission.
- You will not be required to sign this form as a condition of treatment, payment, enrollment, or eligibility for benefits.
- You have a right to a copy of this signed authorization.
- Unless court ordered, if you choose not to agree with this request, your benefits, treatment, or services will not be affected.

Patient Authorization

I hereby authorize the name(s) or entities written below to release verbally or in writing information regarding any medical, mental health and/or alcohol/drug abuse diagnosis or treatment recommended or rendered to the following identified patient. I understand that these records are protected by Federal and state laws governing the confidentiality of mental health and substance abuse records, and cannot be disclosed without my consent unless otherwise provided in the regulations. I also understand that I may revoke this consent at any time and must do so in writing.

It is understood that after my information is disclosed to another person or company, it may not be protected by the federal privacy rule, could possibly be relayed to someone else, and may no longer be protected by federal HIPAA privacy regulations. **This consent expires in twelve (12) months from the date of my signature below unless otherwise stated.**
